POMPEIAN OLIVE OIL**
Is MORE than just PURE. It is Tasty and Palatable

**A Name That Implies
Its Own Meaning**

Sometimes men come in and say: "Are you the STYLEPLUS Store?"

Do you know what the words style plus stand for? Ordinarily they mean style plus intrinsic worth, but here they mean the salient style points of a higher-priced garment plus excellent tailoring plus perfect fit for \$17, because we are the exclusive headquarters for the genuine STYLEPLUS CLOTHES \$17, deservedly popular everywhere.

Let us start you out on a new track this Spring. Come here and pick out a suit of distinctive all-wool fabrics, stylishly cut, well made and well trimmed, for only \$17. This is probably several dollars less than you have been paying. Unless you are decidedly different from other men you will come back here afterward and get another one of the suits that are high grade in every feature but price.

**BRASS KNUCKLES BRING
DOWN 60-DAY SENTENCE**

On complaint of a woman that Manuel Romero had struck her and afterward exhibited a knife and a pair of brass knuckles, presumably to emphasize the fact that he was a bad, bad man, a policeman went to a house on Tierra Avenue last night. He found Romero and W. H. Garner there. Romero had neither knife nor brass knuckles, but Garner did. He had the knuckles. They ran as a deadly weapon, and drew a sixty-day sentence for Garner in the city court this morning. Romero got off with a thirty-day sentence.

**GAMEMASTERS WHO DENIED
GUILT FINED HEAVILY**

G. H. Schmidt and Ray Kloch, two of the four men caught in a raid on a card game at a central avenue hotel, pleaded guilty last evening in the city court and were fined \$15. Charley Mitchell and M. L. Burger were found guilty after trial and fined \$60 and costs.

Kloch testified against the two who denied guilt, and his fine was remitted by Judge Craig. His Attorney T. N. Wilkerson conducted the prosecution.

MORTUARY.

OF SOME IMPORTANCE TO YOU

The Albuquerque Creamery is now grading all the cream which it receives, from the best cream making the Sunshine Butter, and from the lower grade making the brand of "Table Queen."

Table Queen is a second grade product. You will note that this very much better the quality of the celebrated Sunshine Butter.

That you may know—We are constantly aiming to better the quality of Sunshine Butter if that is possible.

Also note the big reduction in price. There is no market in the United States that gets butter so cheaply as your Albuquerque market and vicinity.

Watch the progress of Sunshine Butter.
